

# All I've got to do is pass as an ordinary human being. Simple. What could possibly go wrong?

Heh-haa! Super squeaky bum time! It's a fez. I wear a fez now. Fezes are cool. Aw, you're all Mr. Grumpy Face today. You hate me; you want to kill me! Well, go on! Kill me! KILL ME! I am the last of my species, and I know how that weighs on the heart so don't lie to me!

You know how I sometimes have really brilliant ideas? **I'm the Doctor, I'm worse than everyone's aunt.** *\*catches himself\** And that is not how I'm introducing myself. I am the Doctor, and you are the Daleks!

## You hit me with a cricket bat.

I am the Doctor, and you are the Daleks! I'm the Doctor, I'm worse than everyone's aunt. *\*catches himself\** And that is not how I'm introducing myself. You know when grown-ups tell you 'everything's going to be fine' and you think they're probably lying to make you feel better?

1. I am the last of my species, and I know how that weighs on the heart so don't lie to me!
2. They're not aliens, they're Earth...liens!
3. Did I mention we have comfy chairs?

## They're not aliens, they're Earth...liens!

All I've got to do is pass as an ordinary human being. Simple. What could possibly go wrong? I'm nobody's taxi service; I'm not gonna be there to catch you every time you feel like jumping out of a spaceship.

- I am the last of my species, and I know how that weighs on the heart so don't lie to me!
- You hit me with a cricket bat.
- No... It's a thing; it's like a plan, but with more greatness.

*\*Insistently\** Bow ties are cool! Come on Amy, I'm a normal bloke, tell me what normal blokes do! The way I see it, every life is a pile of good things and bad things....hey....the good things don't always soften the bad things; but vice-versa the bad things don't necessarily spoil the good things and make them unimportant.

Stop talking, brain thinking. Hush. I'm the Doctor, I'm worse than everyone's aunt. *\*catches himself\** And that is not how I'm introducing myself. I'm the Doctor. Well, they call me the Doctor. I don't know why. I call me the Doctor too. I still don't know why.
