

Pretend. You pretend the feelings are there, for the world, for the people around you. Who knows? Maybe one day they will be.

I like seafood. I'm partial to air conditioning. I will not kill my sister. I will not kill my sister. I will not kill my sister. Tonight's the night. And it's going to happen again and again. It has to happen.

I like seafood. Oh I beg to differ, I think we have a lot to discuss. After all, you are a client. I will not kill my sister. **I will not kill my sister.** *I will not kill my sister.* I'm a sociopath; there's not much he can do for me.

Makes me a ... scientist.

I'm thinking two circus clowns dancing. You? I'm doing mental jumping jacks. I like seafood. I love Halloween. The one time of year when everyone wears a mask ... not just me.

1. Hello, Dexter Morgan.
2. Only you could make those words cute.
3. I'm doing mental jumping jacks.

Somehow, I doubt that. You have a good heart, Dexter

- Hello, Dexter Morgan.
- I'm going to tell you something that I've never told anyone before.
- I am not a killer.

Rorschach would say you have a hard time relating to others. I'm thinking two circus clowns dancing. You? I'm a sociopath; there's not much he can do for me. I'm not the monster he wants me to be. So I'm neither man nor beast. I'm something new entirely. With my own set of rules. I'm Dexter. Boo.

I'm thinking two circus clowns dancing. You? I'm generally confused most of the time. I'm doing mental jumping jacks. I have a dark side, too.

I'm really more an apartment person. You all right, Dexter? Under normal circumstances, I'd take that as a compliment. I'm going to tell you something that I've never told anyone before. You look...perfect.

I will not kill my sister. I will not kill my sister. I will not kill my sister. Finding a needle in a haystack isn't hard when every straw is computerized. Under normal circumstances, I'd take that as a compliment.

I'm really more an apartment person. I've lived in darkness a long time. Over the years my eyes adjusted until the dark became my world and I could see. God created pudding, and then he rested. I think he's got a crush on you, Dex!

I will not kill my sister. I will not kill my sister. I will not kill my sister. I will not kill my sister. I will not kill my sister. I will not kill my sister. God created pudding, and then he rested.

Tell him time is of the essence. I'm generally confused most of the time. This man is a knight in shining armor. Tell him time is of the essence.

You're a killer. I catch killers. Tell him time is of the essence. Only you could make those words cute. I'm not the monster he wants me to be. So I'm neither man nor beast. I'm something new entirely. With my own set of rules. I'm Dexter. Boo.

You all right, Dexter? I'm real proud of you for coming, bro. I know you hate funerals. I have a dark side, too. Cops, another community I'm not part of. I think he's got a crush on you, Dex!
